**[Boise-Sun Valley Angel Investor group becomes official](#)**

In November, the largest angel investor network in the country gave Boise a taste of how their normal forums work by having an [event](#). It was as well attended and well received as the [event held in Sun Valley](#) over the summer. After the strong response, the Boise-Sun Valley Keiretsu Forum chapter was officially setup as reported in the [Idaho Business Review](#).

The kickoff meeting will be on Thursday, January 18th from 3:00–7:00 p.m. at the Hill Crest Country Club in Boise. If you are interested in attending or being notified of future events, let me know as you need to be invited by a member. Email me at [dave \[at\] - sunvalleyonline -dot- com](mailto:dave[at]-sunvalleyonline-dot-com). I'd be happy to connect you. Having seen several angel groups, this is the best organized group I've seen from both an investor and entrepreneur perspective.

You can find additional information on this [website](#). The plan is to have monthly meetings like a normal Keiretsu Forum chapter. Unlike a normal chapter, it will have 2 of the 12 meetings each year be held in Sun Valley (as opposed to Boise). In addition, members are able to attend meetings in other cities such as the Bay Area and Seattle.

I would like to learn more as a private investor and try to attend the meeting next week.

Thanks for your help

Congratulations to everyone for getting this up and going. The Sun Valley event was great and we look forward to attending future events (summer and winter, I hope). The Denver chapter is launching in March, and we will look forward to many Rocky Mountain group events!
