You are cordially invited to join us for the launch of the Keiretsu Forum Denver Chapter on Tuesday March 27 from 7:30am – 11:00am. The location will be in downtown Denver, at a venue to be announced.

Keiretsu Forum is the largest North American angel network with 500 accredited investor members. Since September 2000, Keiretsu Forum members have invested over \$80mm in 130 companies in technology, healthcare/life sciences, consumer products, real estate and other segments with high growth potential. Our community is strengthened through education on angel investing, as well as charitable and social activities.

This session will present an opportunity to meet and hear from Keiretsu Forum leadership and members from other chapters, including Founder and CEO Randy Williams. In addition, we will have presentations from three companies who have already passed screening in other chapters and are currently undergoing the due diligence and/or funding process.

Agenda:

- * Continental Breakfast
- * Introductory Remarks
- * Keiretsu Leadership Panel Discussion
- * Company Presentations (3)
- * Portfolio Company Updates
- * Discussion and Recap

Please RSVP at this time to smurchie@keiretsuforum.com if you are able to attend. Feel free to pass along this invitation to Front Range colleagues who may want to attend as well. Guests are always welcome at Keiretsu Forum meetings, but should be either prospective investor members or future presenting companies. The Keiretsu Forum has a strict non-solicitation policy.

We look forward to seeing you in March!

Best regards,

Steve Murchie Chapter President
